### **EXAMINER'S AMENDMENT**

1. The following is an examiner's statement of reasons for allowance: the prior art does not teach or disclose an inverter apparatus for driving a plurality of lamp units, each lamp unit including at least one lamp, comprising, in combination with the remaining features of the claims: a plurality of inverters, each including a delay block and the inverters comprise a first inverter receiving the input ON/OFF signal from an external device and a second inverter receiving the input ON/OFF signal from one of the plurality of inverters.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Vu whose telephone number is (571) 272-1831. The examiner can normally be reached on M-F 8am-430pm.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
